Saltus Grammar School

December is the toughest month of the year. Others are July, January, September, April, November, May, March, June, October, August, and February.

Mark Twain

The year recorded in the pages of this yearbook was, perhaps, one of the most challenging for all departments of the school. Even before we could open the doors for the Winter Term the island suffered a crushing blow from Hurricane Fabian and both Saltus Senior and Cavendish Preparatory Departments were extensively damaged. It is to the credit of all concerned that, within a week, school was operational despite considerable inconvenience caused by relocated accommodation and temporary classroom spaces.

In February, our newly appointed Head of the Senior Department, John Walsh, suffered a heart attack upon return from recruitment in the U.K. Despite this, the Senior Department staff rallied and the management of the school continued under the direction of Ann Paynter and Albert Steede both of whom were to assume their responsibilities as deputies in that department at the start of this new school year. I would like to express my sincere thanks to them both for their hard work and professionalism during this trying period. I am delighted to report that John made a complete recovery and is once again 'in charge'.

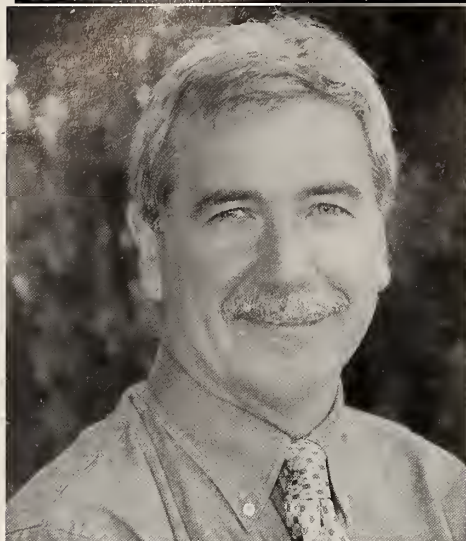

We were saddened by the unexpected departure of Dawn Maranzana (Senior, Business Studies) for distressing personal reasons in the Spring of the year. This proved a huge challenge for teachers and students alike but we were assisted by Stuart Doyle who joined us as a long-term substitute. He, with the assistance of Mr. Hermann-Smith and Miss Waller, supported the students until the conclusion of the year. Once again, I would like to record my thanks to them for managing the department forward.

Storms, tornadoes, bomb threats, unexpected staff departures and the continued busy life of the school all made for an intensely demanding year for everyone in our community. Despite it all, you will see again in these pages the many achievements, involvements and friendships that have characterized another Saltus Year.

I would like to thank all the staff contributors, especially Mrs. Nicole Mathias, for their work on this book.

Although many Saltus parents and students know of the existence of our SGY college preparatory programme, not all are familiar with its rationale, its content, or its long established reputation for excellence among overseas colleges and universities.

With the SGY Class of 2004 being the 30th to graduate since its inception, this is an opportune time and place to set the record straight. Although the name may have changed upon more than one occasion - from Senior Year, to Post-Graduate Year and, more recently, to Graduate Year - what has never varied is the quality of the pre-collegel university experience afforded those students who take full advantage of it. This I can say with the utmost confidence, not only having been very closely associated with the programme for 27 of the 30 years of its existence but also speaking with graduates - many of whom are now Saltus parents - who have returned home to assume prominent positions of employment in both the public and the private sectors of the local community.

In terms of entry into institutions of tertiary education, the success and reputation of the programme remains as strong as ever, confirming what we have always been told by admissions personnel from even the most prestigious of universities: that students do not have to attend an overseas prep school in order to improve their chances of acceptance at a 'top' university. Indeed, the opposite is more often closer to the truth. This year, as previously, students who attended Saltus from the age of 5 and who chose to remain in Bermuda to complete their secondary education, have been able to maximize their individual potential, within a supportive school and home environment, and to receive offers from colleges/universities - ranging from Ivy League to Junior - which reflect their particular needs and abilities. And that is the real strength of SGY: using the Advanced Placement framework, which we - along with an ever increasing number of schools worldwide - believe to be as rigorous and as internationally accredited, but not as rigid, as the International Baccalaureate, each student is able to devise an individualized programme of study which provides challenge, opportunity and flexibility.

And what of the future? The Graduate Year experience is already very good! just imagine what it will become in September 2006 when the first group of students embarks upon the new, two-year programme, the planning for which is already well underway. Not only will the purpose-built work/study space be twice the size of the old Reiss Centre, but students will also be able to choose from an even greater range of course offerings, still with the Advanced Placement examinations as the primary focus.

Saltus Junior School Summer Camp

WACKY TIE DAY

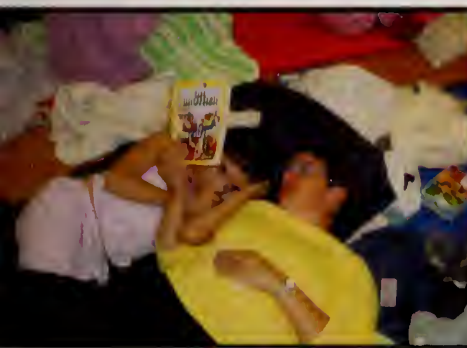

TUG OF WAR

WALK LIKE AN EGYPTIAN

READ 'EM AND SLEEP

There are many people who help the school throughout the year and the Junior School would like to take this opportunity to thank you all.

Likewise in these days of digital photography there are an increasing number of photographic contributors to the yearbook and I would like to thank them for their expertise. I must especially thank Cynthia Barnes for her year's archival material and Mark Beasley who has contributed many photographs to the yearbook throughout the years.

Karen Lusher has left Saltus Junior School this year and will be moving to become the Reading resource teacher at Mount Saint Agnes. She taught here for four years after teaching for a number of years at

BHS. Whilst at Saltus she taught the J6s and has made many varied and significant contributions to the school. Her students have benefited from her dedication to teaching and her colleagues will miss her. I know they join with me to wish Mrs Lusher every happiness for the future.

In the Junior school we escaped from serious damage during Hurricane Fabian at the beginning of the year. However, suddenly a freak tornado flew through and Mrs. De Silva's bookshelves came off the wall. (You can just see her left foot if you look carefully.) Mr. Le Page (Yearbook Coordinator.)

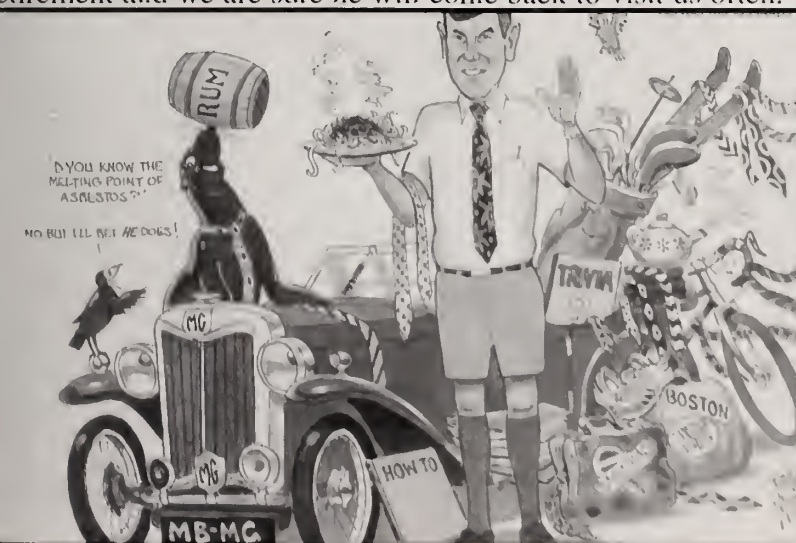

Mark Beasley, Deputy Head retired this year after giving twenty- nine years service to the school. Mark arrived in Bermuda in 1975. He had taught in the Bahamas as well as England before coming to Bermuda to join the staff at Saltus.

Mark was appointed to be First Assistant twelve years ago and this position then became Deputy Head of the Junior School. When Mr. Beasley first arrived there were only ten members of staff and on his retirement we have twenty two teachers. There were only two classes per year group and teachers taught all subjects to their classes. Now there are four classes per year group and there are six specialist teachers. Then the school was a boys school and it wasn't until 1994 (when girls had joined the school) that Mark finally had girls in his class. Mr. Beasley has three children Adrian has just became a lawyer, Ben who has joined the Police Force and Rachel a student. They are all graduates of Saltus Grammar School.

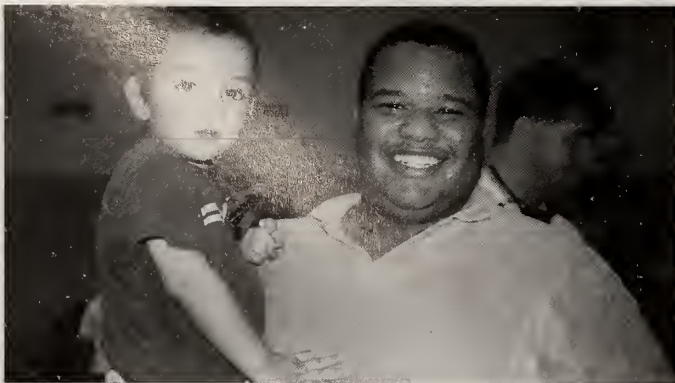

Most of his time at Saltus he has taught the J5s, although he has also taught Physical Education and Art throughout the school. He was very interested in teaching pottery but unfortunately the Junior School did not have access to a Kiln. His talent for art led him to design and paint much of the scenery for our various spectacular performances during the past years. Many of the photographs in previous year books were attributed to Mr. Beasley as well. His calligraphy skills have been in constant demand for all certificates and books plates, not to mention the engraving of watches and school equipment. P.E., Swimming, Running, Track and Field were all areas of expertise for Mr. Beasley and he is an excellent runner himself, well known in the local running community and he has even run the New York Marathon. Spectators at the annual Sports Days often marveled at the Beasley obstacle course or the Beasley Maze as it was called in way back in 1977. Cycling is another of Mr. Beasley's passions and I am sure he will be seen on his new bicycle around Bermuda during his retirement. Mr. Beasley's contributions to the school have been many and numerous and he will be sorely missed by both staff and students. After a number of farewell ceremonies and events Mr. Beasley officially retired in June 2004. We wish him a long and happy retirement and we are sure he will come back to visit us often.

Jason Project Club

This year's Jason Project (Jason XV) was set on Barro Colorado Island in a lake in Panama and was called "Rainforests at the Crossroads."

The Senior School Jason Club, run by Science teacher Mrs. Natalia Frith and Mrs. Susie Hall and assisted by Mrs. Geralyn Counsell was designed as an enrichment club for 15 students. The aim of the Jason Club was to generate enthusiasm for science and to expand the students' knowledge base and desire to learn more about their world. Further, it was hoped that an awareness of the need for environmental conservation would develop in the students as their understanding of the importance of biodiversity grew.

The students participated in both hands-on experiments and internet based research in order to learn about this amazing project started by scientist Robert Ballard.

One highlight for the club was travelling to the Bermuda Biological Station for Research (BBSR) in order to view a live broadcast from Barro Colorado Island. Philip Parsons (S8) was chosen to give a weather report and Joanna Hamer (S9) was taped asking a question — both video clips were then broadcast minutes later to all the participating 'PIN' sites all over the United States.

Another activity included the building of life sized mammals found on the island. Nicholas Rinehimer, Ellisse Johnston and Amanda Perry produced a magnificent jaguar which is now on display in the library.

A number of students have expressed interest in applying to be 'Argonauts' for next year's project and there are plans to expand the school's participation to a cross curricular level to involve many more students at Saltus.

For more information about the Jason Project, go to www.jason.org.

Student Council 2003-2004

Student Council beats all records!

School Council was very ably organised this year by Head Boy Richard Hillen and Head Girl Mandy Oliver. They took it in turns to chair the meetings and their commitment to this role was greatly appreciated by us all. The main role School Council takes on each year is to organise Rag Week. This year the senior students raised a massive total of \$6287.55 which was divided between a Bermuda and an international charity chosen by the student body via School Council. This year both charities were given \$2993.75. The annual sponsorship fee for Jefferson Perez in Ecuador is also provided from the Rag Week total.

This year the students chose to support **BASE** (Bermuda Autism Support and Education) as the Bermuda charity. **Miss Sophie Clark** and some of the senior students have been involved with the charity in recent years. The money was used to organise a major conference in Bermuda to help educate people about Autism. The International charity chosen this year was **AHEAD** which has a Bermuda support group headed by Dr Deborah Tuzo. **Caitlin Billing** of S8 suggested this charity which works in Africa aiming to reduce and eliminate disease and premature death; cultivate and advance healthy living and foster sustainable environmental activities in rural areas. According to Dr Tuzo, the money donated will be used for two main projects in Tanzania. \$2500 will be added to a Rotary Club donation to build a girls dorm in a school. There will be a plaque to show who donated the money. A further \$400 will go to provide 4 scholarships for boys for their secondary education. Both charities were extremely grateful for the contributions made by our senior students who should be proud of their achievement.

Rag Week 2004

Rag Week breaks all records, raising a whopping \$6287.55!!

Most of the money raised came from the Sponsored Read which achieved a staggering total of \$3741.22 – special thanks to Ms Carey for her organisation. Other events included the annual silly sports and the flanning of a teacher, and this year an SGY student too! A Rag Mag went on sale containing a number of competitions. Mandy Oliver and the SGY organised students to perform for a SALTUS IDOL competition which was won by a star in the making, Gianluca Gibbons. There were judges from the staff and SGY who helped to recreate the style of the Pop Idol TV programme to great effect. Donita Stevens (S4) organised a Fashion Show which went down very well with students and raised over \$100. The Reading Club organised (with the help of Mrs Laurel Burgess, our Librarian) a hilarious Scavenger Hunt. Video clips and photos of some of the challenges set for the intrepid students are still in circulation.

Ski Trip 2004 - Winter Park, Colorado

This year saw another return visit to the TimberHouse Ski Lodge in Winter Park, Colorado. The journey out proved eventful when our plane did an emergency stop just before take off in Atlanta. This year the snow was generally poor, but there was still plenty of skiing and snowboarding to be done. O skiers fared very well with no injuries the entire week. The snowboarders however seemed more fragile in a fall - several hurt their wrists to varying degrees, while Ben Sheere seriously damaged his on the second day. All credit to Ben though as the doctors, nurses and Saltus staff were very impressed with the way he coped and he was still a jovial member of the group for the rest of the week. The last afternoon brought the other more serious wrist injuries, but once again the students put on a brave face. The games room at the lodge was a popular feature for après ski time; some students got to go to the cinema or shops in Winter Park, while others tried Snow Shoeing with Kali from the ski lodge. Miss Hucker demonstrated immediately that it was more difficult than it looked as it took students some time to dig her out of the thick snow before we even got started! The final day was spent at the Colorado Mills shopping mall en route to the airport where many and varied purchases were made.

Alex, James and Henrik drying off!

A chipper/shredder was purchased for the Saltus Island Project with funds from one of the first ever Bermuda Government Environment Grants awarded to the Project last year. The problem was how to get it out to the Island from Duncan Ashworth's classroom at Saltus. The Bermuda National Trust which owns the Island transported the chipper-shredder

to the former U.S. Naval Annex in Southampton. Rob Davis (father of J6 Jamie and S9 Ffion) had arranged for Bermuda Regiment personnel to meet them and transport the chipper to Saltus Island — Jeff Patterson along with two other Regiment soldiers loaded it onto a boat and took it over to the Island. Meanwhile, Marine Police, who provide transport on a regular basis, transported Saltus staff Mr. Totten, Miss Clark, and Mr. Ashworth plus Mr. Hodder (a visitor from the UK) and eleven Senior 3 students to the Island to off load the shredder, set it up and start shredding.

According to Duncan Ashworth, "so far this year, fifty Senior 3 students and fifty Senior 9 students have taken part in the Project. Approximately eight Senior School staff have assisted with Nick Wiffen being in charge of the Senior 9 trips and myself in charge of the Senior 3 trips. Every month a group of twelve Senior 3s and twelve Senior 9s go to Saltus Island to continue the work of managing the woodland and maintaining the Island as a nature reserve."

Mr. Wiffen shows how it's done!

"Am I finished yet?" Danielle's hoping!

After all that work, still time for a mile!

Tim and Oliver 'working hard'!

Our students in the Community...

Once again our students have excelled outside of our walls and contributed greatly to the local community. Whether it be sports locally or internationally, community service or cultural pursuits, we are proud to call them our own and wish to congratulate them for their hard work and encourage them to continue to succeed!

Well Done!

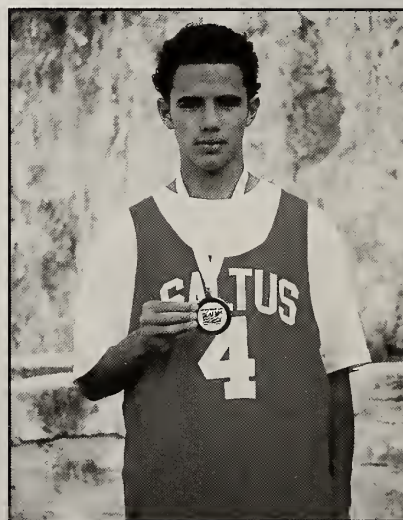

Above Top Left: Bermuda Optimist Sailing Team competing in the Optimist North Americans. Saltus students Peter Miller, Oliver Riihiluoma, Ben Bernardo and Joshua Greenslade competed, helping their team win the overall Team competition. Individually Joshua came 5th overall, followed by Oliver in 7th place.

Bottom Left: Team Bermuda takes First!

Above and below Right: Saltus Students also competed for their country in the Carifta Games this year. Jade Darrell and Tristen Francis can be seen competing here.

Other news: In the Island Games Postal Shoot, a total of six islands participated and the Bermuda team finished in 3rd place overall. Collin Campbell also did very well indeed in a big field of Junior recurve archers as he advanced to a final position of 6th place overall.

Top: Denton Hurdle Awards: Miles Brewer and Logan Alexander won their age groups, as well as Amy Fox and Jennifer Beech being nominated.

Saltus has been the only school I have ever known. I think this school prepares you for life the best, because no matter who you are, every single person ends up going through good and bad times. Also, it is one of the most diverse schools with plenty of clashing personalities which helps you learn how to appreciate that people are different and everyone has different views and that they should be respected regardless. The other thing this school teaches you is that you should be yourself, no matter what and only your true friends will like and respect you for who you are.

Boys 1st XI Soccer Team 2003-2004

The 1st XI played an excellent game in the Schools Cup Final. They lost narrowly to Berkeley in an entertaining game that was enjoyed by all. Zuri Darrell scored a great goal to put us in contention, and despite coming close on a number of occasions we were unable to grab the equalizer.

Zuri was voted the man-of-the-match for us.

Back Row L to R: Mr. Beard, Jade Darrell, Niki Boorman, Oronde Bascome, Zuri Darrell, Clyde Darrell, Kyle James, Alex Bertrand, Andrew Clebeck, Kijaun Wilkinson.

Kneeling L to R: Chris Chapman, Alex Barry, Marco Piper, Logan Alexander, Greg Rose, Robert Tucker, Marquel Waldron

The Saltus Senior Varsity Soccer team played several games on their recent tour in the UK: Fairfield High - won 4-1 (Kenny Tucker-Thompson 2, Jason Smith 2); Worcester 6th Form - won 3-2 (Marco Piper 2, Jason Smith); St Mary's High won 3-1 (Oronde Bascome, Kenny Tucker-Thompson, Jason Smith); Leominster Town (Herefordshire Youth League Champions) drew 0-0; Shropshire Schools Champions Ludlow School - draw 1-1 with the Saltus goal coming from Kenny Tucker-Thompson.

The boys also got to watch Charlton v. Aston Villa, and Wolves v. Southampton along with plenty of downtime for paintball, dry slope skiing, golf, shopping and sightseeing.

CRICKET STATS

Founder's Day Cricket Results

Jon Beard reports on the Old Boys v. School Founder's Day Cricket Match: "An excellent game of cricket on Founder's Day saw the Old Boys take back the trophy won by the School last year. The Old Boys were all out for 179. Henry Talbot retiring on 50, and Justin Barritt having a good knock of 29. The School bowling figures: led by S4 Oronde Bascome who, in 5 overs gave up 19 runs and claimed 2 wickets; S4 Andrew Osborne gave up 42 runs and claimed 2 wickets; S4 Wayne Ball 30 runs for 1 wicket; and S3 Marquel Waldron bowled 3 overs, gave up 23 runs and took one wicket. The School team replied with 170 runs. S4 Oronde Bascome scored 50 runs before Jim West claimed his wicket; SGY Martel Laws was run out on 21; S5 David Campbell was caught off Stephen Troake's bowling for 17; and S4 Rian Lindo was the other main scorer as he weighed in with 19 not out, including two 6's and a 4. S4 Oronde Bascome was voted the "Man of the Match," and the Donald Campbell Trophy for the Best Attitude and Effort outside the Man of the Match went to S4 Andrew Osborne.

What a Year!

Fiona Murdoch, Peter LePage,
Amanda Petty, and Cynthia Barnes,
thank you for all of your patience
and hard work.

I wish the Class of 2004 all of the
best and I hope that their memories
last forever.

Best of luck for the future,

Nicole Mathias
